4C HORIZONTAL MAILBOX ENCLOSURES SURFACE MOUNTED

Made of heavy duty aluminum, Salsbury 3800 series 4C surface mounted mailbox enclosures are designed to easily mount Salsbury 3700 series U.S.P.S. approved and private access front loading 4C standard and custom horizontal mailboxes to a wall. Surface mounted enclosures can accommodate each of the Salsbury 3700 series horizontal mailbox heights in both one door wide (single column) and two (2) doors wide (double column). Mailboxes are sold separately - see pages 12-17. Surface mounted mailbox enclosures feature a durable powder coated finish available in four (4) contemporary colors that match the color of the 4C horizontal mailboxes. 4C standard and custom horizontal mailboxes easily fit into the fully assembled enclosures with mounting hardware (included). Surface mounted mailbox enclosures provide a convenient means of installing 4C standard and custom horizontal mailboxes in locations where walls are not deep enough for a recessed mounted installation. Designed for indoor and outdoor use, surface mounted mailbox enclosures are ideal for apartments, condominiums, commercial buildings, offices and many other applications.
