### Instructions of Care

In order to maintain the warranty, the Customer is recommended to follow Instructions of Care and to inform any third party purchaser of the same information.

Instructions of Care	Common misuse is:
Only use the correct Operating Manuals	Attempting to use or repair the Goods without proper knowledge
Operate within the rated capacity	Not checking the manufacturer's recommended ratings
Do not place heavy loads on the Goods	Incorrect packing and shipment of the Goods causing damage to the exterior.
Do not expose to impact, excessive movement or continual relocation	Not realising that the Goods contain sensitive parts or may damage easily
Do not expose to excessive vibration or heat	Not realising that the parts are sensitive to excessive vibration and heat
Do not expose the Goods to water or excessive moisture	Not realising that timber may be a component and that excessive moisture damages sensitive parts and may discolor the finish

### Making a claim for damaged or defective Goods or defective Services

The Company will provide a form for any claims for damaged or defective Goods or Services but will not accept any claim by the Customer for any reasons where the Customer may be prejudiced by the defect or failure of the Goods or Services. This warranty is limited to the repair or replacement of faulty parts only. The Company will not accept any claim by the Customer for any and all costs incurred including economic loss, consequential loss or any other form of loss whatsoever. This warranty will not apply where:

- ▮ Goods or Services have not been paid in full and according to the terms of payment.
- ▮ The defect or failure is due to or resulting from damage, poor installation, misuse or use contrary to the printed instructions of the Company for maintenance or care when in the possession of the Customer.
- ▮ The defect or failure is due to persons not technically competent to use the Goods.
- ▮ The defect or failure is due to the Goods not being used for the purpose for which they were specified.
- ▮ The defect or failure is caused by the Customer or a third party on behalf of the Customer attempting integration or interfacing of the Goods with other Goods.
- ▮ The Customer or any third party altering the Goods in any way different to the condition in which they were supplied or installed.
- ▮ The defect or failure is due to environmental conditions of the Customer's site causing deterioration.
- ▮ The defect is due to the Customer or its agent attempting modification or repair of the Goods.
- ▮ The failure is caused by use in situations where the Manufacturer's specified capacity is exceeded.
